HARD ROCK MAN OPENS BIG MINE

Mickey Somers, one of the best known characters about Tonopah in the boom, is in the fair way of becoming a millionaire through efforts that would have appalled most men. He has opened a mine one mile west of Darwin, adjoining the old De-fiance and owns four full claims. He is shipping 600 ounce silver ore with a high lead content at the rate of 50 tons a week, which may be increased indefinitely from the mine which he opened single handed by sinking 120 feet of vertical shaft, 80 feet of an incline and a winze 100 feet deep. In sinking the shaft he made a contrivance by which he hoisted the rock from the bottom of the shaft where he worked and dumped it away from the collar without the aid of a top man. By this means he managed to hoist about ten buckets a day.

Dr. A. H. Elftman, who came through Darwin yesterday, says Somers has from 3 to 5 feet of solid galena ore that assays up to 4000 ounces with 600 ounces for the general average. A gas engine has been installed and the owner is able to hire a few helpers.

AMUSEMENTS

"THE MIRACLE OF LOVE" AT THE BUTLER TONIGHT

Cosmo Hamilton, the author of many successful novels and plays, has written a deep and searching study of human beings entitled, "The Miracle of Love." Mr. Hamilton is the author of "The Blindness of Virtue" and "Scandal." Lucy Cotton, who has the chief feminine role in "The Miracle of Love" is a Texas girl who has sprung into much prominence recently for her fine work on the stage and screen. The chief male role is enacted by Wyndham Standing. Her conscience said no. But her heart said yes, for this was the man she loved. Another man, her husband, she hated, because he had ruined her life. And yet she stuck to the end and stifled her heart until fate performed love's miracle. "The Miracle Man" is a picture that lays bare the intrigues of British society, enters the 'halls of state, follows a forbidden romance to the end and culminates in love's great miracle. With this feature production will be shown an excellent Bray cartoon and scenic picture. Remember tomorrow, Pauline Frederick in "The Public Case."
